

The Re-launch

~ Tentative Press-Release ~ April 13, 2009

Last week has been a successful re-launch of Kevin Melchor's Official Website (kevinmelchor.com and themlife.com), On-Exclusive Live Podcast Station (onexclusivelivepodcast.com), and the Kevin Helps Site. A lot of great things to point and click inside these sites. It was long waiting for this re-launch to happen. Yola will be the official site builder for all sites being made under Kevin Melchor. What to expect inside Kevin's Official Website are blogs, the latest news from the official sites, "The M Life" (About Kevin), and the Media section.

For the first time, Kevin releases a media site for you to enjoy. Inside the media page are information and features. Connect to On-Exclusive Live Podcast Station, listen to Kevin's latest music managing project Element, listen to music via his Last.FM player, and watch his video blogs via YouTube to see what is going on with Kevin. This is Kevin Melchor's world; this is "The M Life".

Established November 2005, On-Exclusive Live Podcast Station is back with a whole new format for you to enjoy. On-Exclusive Live Podcast released on April 9, 2009 a whole new show and episode called "The Exclusive"." The Exclusive" is all about bringing Southern California and the World a station dedicated on the exclusive. When you access On-Exclusive Live Podcast's official site (onexclusivelivepodcast.com) you will connect to the 30-minute show that brings you the exclusive information inside on all areas like places the host visits, tips, entertainment headline topics, music by independent artists or bands, music reviews, etc. Connect now by clicking on the Listen Now link on the navigation bar.

Not only you have the listen now link to listen to the show via our player, but you can download the episodes via I-Tunes. Get to know the station and show through our About Us page and want to send in music for reviews, any ideas? Or got complaints send them over by contacting us through our contact us form. "The Exclusive" on On-Exclusive Live Podcast Station is hosted and produced by Kevin Melchor and its network is Blast Podcast.

Still in the development stage, Kevin Helps site will release soon. A press-release for this site will be coming soon. This site will showcase Kevin's work on how he cares and gives back.

These sites are a whole new world of everything by Kevin Melchor. "I created these sites by sharing to you my world. I envisioned my creations to come into action. I am not only doing this for fun, but for showcasing my entertainment venture projects," Kevin Melchor says. Expect a lot for the future for these sites as they get built on Yola. Technology is evolving time to time, so will the Kevin Melchor sites and entertainment.
